Sheffield Hallam University

Policy on Sheffield Hallam University BUCS Representation for UK College Partner Students

1. Introduction

This policy outlines the eligibility of students from Sheffield Hallam University's UK College partners to represent Sheffield Hallam University (SHU) at BUCS (British Universities and Colleges Sport) events.

2. Eligibility

Eligibility regulations for individuals are published by BUCS and can be accessed through the [official website](). Institutional regulations are also available [here]() and provide guidance on scenarios involving further education (FE) colleges offering higher education (HE) qualifications.

3. Relevant Regulation: REG 2.6.5

The following regulation is particularly relevant to this policy:

2.6.5 FE College Offering HE Qualifications Model
REG 2.6.5.1.1 If HE students are awarded qualifications from another current BUCS Member, that BUCS Member relinquishes the right for those students to compete on their behalf. As per BUCS regulations, an individual may only represent one institution/Playing Entity per season. Should an FE College meet the criteria and become a Full BUCS Member, any HE students studying at that College will only be eligible to compete for that College/Member — not for the institution awarding their qualification.

4. Policy Clarification

If a UK College partner is not a registered BUCS member, this permits their students to represent SHU at BUCS events.

5. Contact

For further clarification regarding this policy, please contact;

Sport Programmes and Partnerships Manager Adam Barr – a.barr@shu.ac.uk

Sport Development Manager – s.peace@shu.ac.uk

Club Sport team - ClubSport@shu.ac.uk

6. Competition entry

A list of BUCS events and competitions can be found here
https://www.bucs.org.uk/events-listing.html

Entries can be made via https://bucs.playwaze.com/ please contact the above 3 contacts to notify of intent to enter.
