Welcome to the TU Braunschweig!

Study in Europe's Most Active Research Area

- **36,000 people** working in research and development
- **27 national research institutions**
- **250 companies** in the high-tech sector

make Braunschweig the region with the **highest level of spending on research and development in all of Europe.**

Designed by Freepik

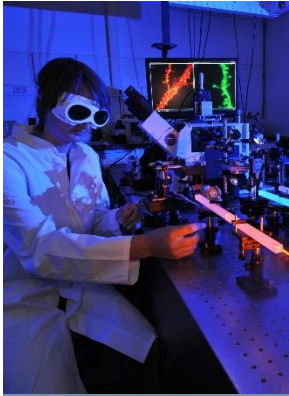

Research and Teaching in Figures

The TU Braunschweig is the academic focal point of these research activities.

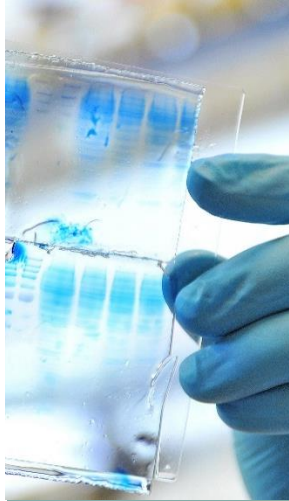

With **84** degree programmes,
4,400 first semester students,
20,000 students,
120 institutes,
2,200 scientists and
3,700 university employees
are we the **largest University of
Technology** in Northern Germany.

6 Faculties

**Carl-Friedrich
Gauß:
Mathematics,
Computer,
Business and
Social
Sciences**

Life Sciences

**Architecture,
Civil
Engineering and
Environmental
Sciences**

**Mechanical
Engineering**

**Electrical
Engineering,
Information
Technology and
Physics**

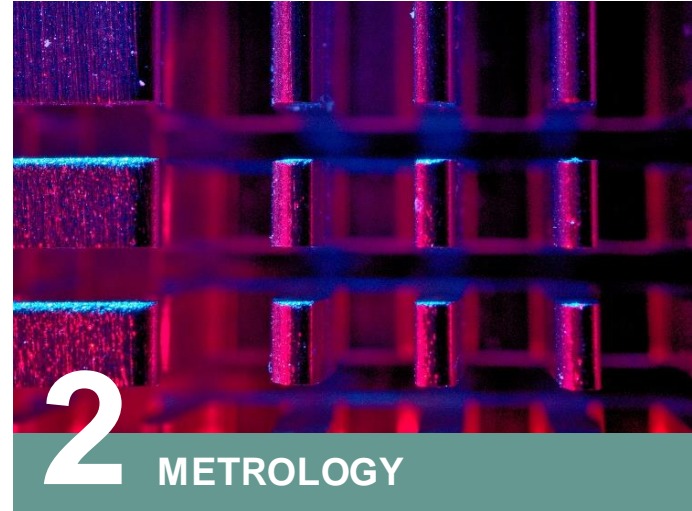

**Humanities
and
Educational
Sciences**

4 Core Research Areas

- intelligent and interconnected mobility
- light-weight vehicles using non-fossil energies
- low-emission aircraft
- sustainable production

- metrology for nanotechnology
- precision at the limits of measurability through quantum technologies

4 Core Research Areas

- active agents for combating infectious diseases
- manufacturing and processing of individualized drugs

- Intelligent strategies for the cities of tomorrow
- dealing with advancing urbanization, dwindling resources and climate change

8 Good Reasons to Choose the TU Braunschweig

Member of the TU9 (leading Institutes of Technology in Germany)

Student jobs and research projects at local research institutes and major companies like Volkswagen and Siemens

Excellent research and research-oriented teaching

University with the broadest range of engineering courses in Northern Germany

International profile and open-minded student community

Close collaboration with research and industry

Personal atmosphere and individual support

Founded in 1745: longest tradition among German Institutes of Technology

International Profile

- 3,300 international students from 110 countries
= 17 % of the student body
- 330 partner universities around the world
- 170 cooperation programmes with European universities (Erasmus)
- **Strategic partnerships with universities** in France, Great Britain, Italy, Switzerland, the USA, China, Singapore, Japan, Brazil, Mexico and Australia.

Free Course Choice

Courses can be chosen from different study courses and faculties

The City of Braunschweig – University and Life Style

friendly and open-minded major city with 250,000 inhabitants from 150 countries

well-maintained historic city with medieval old town

Campus in the city centre

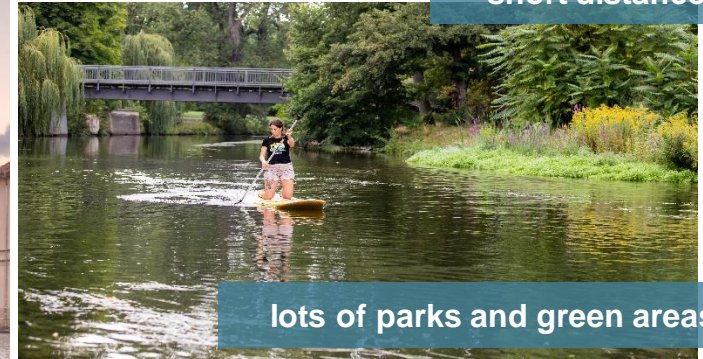

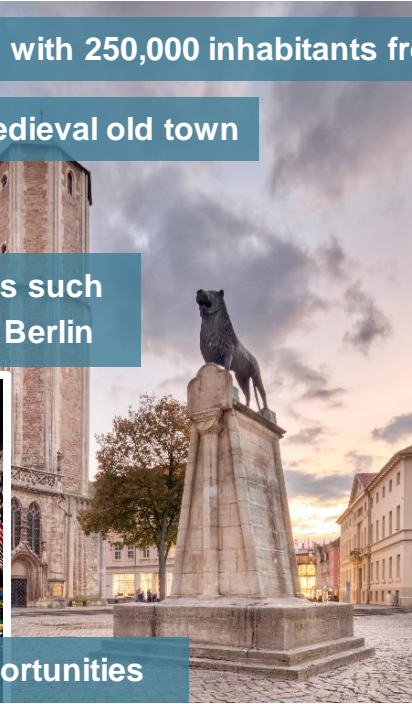

excellent connections to destinations such as the Harz Mountains or the capital Berlin

short distances

extensive cultural and nightclub opportunities

lots of parks and green areas

broad range of sporting and recreational activities

TU Card and Semester Ticket for Lower Saxony

TU Card features:

Semester Ticket

- busses and trams in the city
- regional trains

Student ID

Library card

Payment card for the cafeteria

Discover our region with the Semester Ticket:

- North Sea
- Harz Mountains
- Lüneburg Heath
- ...

International Student Support

Buddy Programme

Welcome Week
