2. CEU Global Campus

International education without borders

Universidad CEU San Pablo sets its students up for success beyond the Spanish borders by supplementing their Bachelor's Degree with a foreign academic certificate.

Our variety of international initiatives gives students the opportunity to stand out and opens up new doors to all sorts of jobs.

CEU Global Campus integrates the following international programs:

- ▶ **IBP** | International Bilingual Programs
- ▶ **IOP** | International Online Programs
- ▶ **IPP** | International Professional Programs

All our undergraduate programs are compatible with international academic programs and international mobility.

IBP

International Bilingual Programs

An international Bilingual Program or IBP is an upgrade to your undergraduate studies at Universidad CEU San Pablo.

An IBP is a unique opportunity to **enhance your academic profile and differentiate yourself** when it comes to entering the professional world.

You will study your university degree together **with an exclusive program in English** at renowned American universities such as The University of Chicago, Boston University, Fordham University or UCLA Extension.

During the first years of the Bachelor's Degree **you will receive a preparatory training to adapt** to the participatory methodology of the American educational system.

During the final year, you will culminate your studies with a **stay in the United States**, which will provide you with a valuable multicultural experience.

This is a unique opportunity to **consolidate your international profile**.

Boston University

- ▶ INTERNATIONAL BUSINESS
- ▶ BUSINESS OF BIOTECHNOLOGY
- ▶ ONLINE DATABASE MANAGEMENT & BUSINESS INTELLIGENCE
- ▶ CRIMINAL JUSTICE
- ▶ INFORMATION TECHNOLOGY
- ▶ ARTS MANAGEMENT

The University of Chicago

- ▶ CLINICAL TRIALS MANAGEMENT & REGULATORY COMPLIANCE

Fordham University

- ▶ MASTER OF LAW (LLM)

UCLA Extension

- ▶ DIGITAL MEDIA & STRATEGIC COMMUNICATIONS + MARKETING
- ▶ TV & FILM MAKING DEVELOPMENT

Complete your Bachelor's Degree education with an exclusive program in English.

IOP International Online Programs

Students can **expand their studies** by attending classes **online** at a prestigious American university, ensuring maximum

convenience and flexibility. These programs set them up with the skills and knowledge required to succeed in the **global job market**.

3. CEU Global Classroom

International education in the classroom

Universidad CEU San Pablo offers its undergraduate and graduate students a **unique opportunity** to attain an **international education** from the comfort of the classroom. How is it done?

We have partnered with foreign universities and institutions to create the Collaborative Online International Learning (COIL) projects and mirror lectures.

CEU Global Campus offers the following international programs:

- ▶ COIL - Collaborative Online International Learning
- ▶ Mirror Lectures
- ▶ International Weeks
- ▶ Guest Lectures

4. International Mobility

Mobility agreements

Universidad CEU San Pablo has signed more than **more than 350 bilateral exchange agreements** with universities from all over the world.

Thanks to these and to the Erasmus+ Program, students can carry out several international mobilities throughout their careers.

Further information on: www.uspceu.com/en/international about all places where you can carry out your studies.

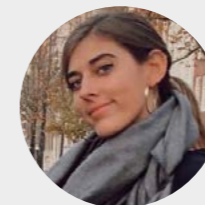

+50 COUNTRIES OF ORIGIN OF OUR STUDENTS

13% INTERNATIONAL STUDENTS ENROLLED IN BACHELOR'S DEGREES

▶ Global learning community

Every year **more than 700 students from all over the world** come to study for a semester or the whole year to our university.

Every year **more than 400 CEU students** have an international exchange educational experience.

“ I am studying the IBP with Boston University and the 3 programs that I have carried out so far, with foreign Professors, have been spectacular. I have learnt so much and I have been able to get to know other learning methods. Besides, I have carried out an international mobility in Utrecht (Holland) and it has been the best experience of my life. ”

International Internships

Universidad CEU San Pablo students can gain work experience through an internship abroad. These placements are also open to recent graduates and can be curricular or non-curricular.

Thanks to these placements abroad, participants will improve their communication skills, language and intercultural competences.

Further information on:
www.uspceu.com/en/international

Career Center

The USP CEU Career Center team is responsible for the search and management of curricular and non-curricular internships. To this end, it has an international job bank with a wide range of international internships, and students can apply for an Erasmus mobility for international internships.

EUniversiTECH-Spain Internship Consortium

EUniversitech-Spain is a mobility consortium for students and recent graduates supported by the European Union, and managed from the USP-CEU, which facilitates international internships in Europe.

Erasmus+ Internships

The Erasmus+ program provides grants to undergraduate and graduate students. They can be curricular or non-curricular. Erasmus+ placements can be combined with a study period abroad.

▶ **Duration:** between 2 months and 12 months.

▶ **Where:** in companies, research centers, laboratories, associations, NGOs, etc.

▶ **Working hours:** full time.

▶ **Erasmus grant:** travel and living expenses.

▶ **Erasmus+** work placement scholarships compatible with Erasmus+ study scholarships (consecutive).

5. Language Training

Language Centre

Nowadays, speaking languages is the basis for progressing and achieving academic and professional excellence. The Language Centre provides its services to the university community through the **improvement of foreign language skills** and **language accreditation**, and includes the following services:

CEU Digital Platform

Through the CEU digital platform, students can learn up to six languages at different levels:

- ▶ English (British and/or American) – A1, A2, B1, B2, C1 and C2
- ▶ French – A1, A2, B1, B2 and C1
- ▶ German – A1, A2, B1, B2 and C1
- ▶ Spanish – A1, A2, B1, B2 and C1
- ▶ Portuguese (Brazilian) – A1 and A2
- ▶ Italian – A1 and A2

English and French Courses

- ▶ In-person and online
- ▶ Compatible and convenient timetables
- ▶ Preparation for official exams

Spanish Courses

For international and Erasmus exchange students who want to learn Spanish.

IBP Courses

The Language Centre offers TOEFL ITP and TOEFL iBT preparation courses to CEU students of the International Bilingual Programs (IBP). The courses are termly: they comprise 20 hours of class time. They are free of charge for students enrolled in an IBP.

CLIC Space

The Language Centre offers free social and cultural activities to practice different languages in a fun and enjoyable way, with the participation of national and international students. Don't hesitate to sign up!

TOLES Exam

Special Degree in Legal English and Preparation for the TOLES exam (Test of Legal English), aimed at law students, to improve their access to the labor market in the legal, national and international field.

Level of English and German

The university has signed agreements of collaboration with the British Council and the Goethe-Institut, which allow students to professionalise their level of English and German.

6. National and International Recognition

The most prestigious rankings

Universidad CEU San Pablo is highly regarded by the most prestigious and influential national and international rankings due to its academic and teaching quality, its innovative nature, its international vocation and its growing impact on research.

We are the University of tomorrow, open to the world and ready to face the challenges of the future.
