

Reutlingen University - School of Engineering

Fact Sheet

Courses Offered for Exchange Students from Partner Institutions

<p>Engineering study programs</p>	<p>Bachelor of Engineering: Mechanical Engineering, Mechatronics, International Project Engineering</p> <p>Master of Science: Mechanical Engineering, Mechatronics, Micro and Power Electronics, Distributed Energy Systems and Energy Efficiency</p> <p>Further information: https://www.tec.reutlingen-university.de/fakultaet/alle-studiengaenge/</p>
<p>Engineering courses taught in English</p>	<p>Lectures and laboratories taught in English.</p> <p>Applied research projects with a workload ranging from 6 to 30 ECTS Credits. Language of instruction: English.</p> <p>Course catalogue and course handbook: https://www.tec.reutlingen-university.de/internationales/incoming-exchange-students/courses-and-projects/</p>
<p>Course selection and prerequisites</p>	<p>Provided previous knowledge in the required areas, exchange students are eligible to participate in lectures across different engineering study programs and study levels. Prerequisites, if any, are indicated in the module description for each course.</p> <p>Some courses have limited intake capacities or require a minimum number of participants in order to be taught in English. Students are requested to pay attention to prerequisites and restrictions mentioned in the module descriptions.</p>
<p>Language requirements</p>	<p>English: CEFR B2 level for courses taught in English. Non-native speakers require a language proficiency certificate. We accept confirmations issued by the student's home institution or one of the following internationally recognized language tests: TOEFL, TOEIC, IELTS or the Cambridge ESOL test.</p> <p>For lectures taught in German, B1 level is the minimum requirement. B2 level or higher is strongly recommended.</p>

Nomination and Application Workflow

Nomination deadlines and procedure	<p>Winter Semester: May 01 Summer Semester: November 01</p> <p>Please send names, e-mail addresses and information on the study programs of applicants via e-mail. Nominated students will be contacted and guided through the application procedure</p>
Application deadlines and requirements	<p>Nominated students must submit online application by Winter Semester: May 15 Summer Semester: November 15.</p> <p>For application requirements, see https://www.tec.reutlingen-university.de/internationales/incoming-exchange-students/application-and-preparation/</p>

Academic Calendar

Semester dates	<p>Summer Semester: March 1 – August 31 Start of lectures: Mid-March Exams: Early July</p> <p>Winter Semester: September 1 – February 28 Start of lectures: September, 30, 2024 Exams: January 27 - February 5, 2025</p> <p>Further information at: https://www.tec.reutlingen-university.de/index.php?id=14044&L=0</p>
Pre-semester intensive German language course including orientation days	<p>Details at https://www.reutlingen-university.de/en/international/languages-and-intercultural-offers</p>
Recommended time of arrival	<p>Winter semester: Not before September 1 Summer Semester: Not before March 1</p>
