

WELCOME TO KUFSTEIN, AUSTRIA

The University of Applied Sciences Kufstein Tyrol is located in the heart of the city park. The contrast between the historic old town, the fortress, and the nearby mountains strongly contributes to the attraction of this picturesque city. Thus the city's nickname: **The Pearl of Tyrol**.

The closest airports are Innsbruck (75 km) and Salzburg (100 km) in Austria and the Munich Airport (130 km) in Germany. All three airports are an easy train ride away from Kufstein. The University is only a 10-minute walk from the train station.
