4. The student prints his/ her application and send us a copy of it by e-mail to exchange@elisava.net
5. **Additional requirements:** Students applying for **Graphic design** are required to send us a physical portfolio, A4 format, as well. Portfolios must be sent by post before the application deadline to the following address:
 ELISAVA Faculty of Design and Engineering
 Att: F. Xavier Oliver
 International Relations Office
 La Rambla 30-32, 4th floor
 E-08002 Barcelona (Spain)

PORTFOLIO

The portfolio and motivation letter are the basis for accepting incoming students at ELISAVA, if a selection would be necessary due to the high number of applications.

The portfolio should include a selection of the best works of the student (some 8-10 works) showing their skills in different design fields, mostly through projects, but including also other relevant works. Some information about the context and personal process of the projects is welcome, too.

REMARKS

At ELISAVA, we use a semestral system, with an amount of 30 ECTS credits each semester, for a total amount of 60 ECTS per year.

According to this structure, we offer:

a) Elective English taught courses during each semester of 3rd year, in which exchange students mainly integrate, focused on Design (graphic, product, interior and Interaction design specialities) and Industrial Design Engineering (design & materials, development & simulation, and management & data specialities).

b) Individual English and Spanish taught courses in 2nd, 3rd and 4th year.

We only accept exchange students in our Bachelor degree courses.

Courses and programmes **not available** for exchange students:

- Final Degree Project course and curricular internships (4th year).
- "Study Abroad" programme
- Master degrees
- Postgraduate degrees

Exchange students will send their provisional LA before starting their exchange period and will be allowed to make some changes to the courses once they are registered at ELISAVA, depending on the availability of places and the course schedule overlapping.

After the publication of the final results, exchange students' Transcripts of records will be sent to their home University International Offices by e-mail.
